## Pizzas and pictures really deliver

FROM Supa Golf in the Swan Valley to performing drama sketches on stage, the South Perth Church of Christ's school holiday program was a huge hit with local teenagers.

Participants were busy all last week cooking pizzas, skating and going to the movies. Coordinator Emily Dickinson said the program was a great way to keep teenagers off the streets.

"They all had a blast and made new friends and it's good for them to do something constructive with their holidays rather than just sitting at home," she said.
